

PRESS RELEASE

Manchester, 26/06/08 For Immediate Release.

LOCAL ASBESTOS COMPANY PUT POWER BEHIND IT'S PEOPLE

Local Asbestos Company Reddish Vale is delighted to have been awarded the Investors in People Standard.

The Investors in People Standard developed in 1990, provides Reddish Vale with a framework for improving business performance and competitiveness. This is a planned approach to setting and communicating business objectives, and developing their people to meet these objectives.

Reddish Vale has been operating UK wide for the past 20 years, and this accreditation proves its excellent track record and dedication to its workforce and to its customers.

Managing Director Roy Tindal explains "in order to be awarded the standard, we had to meet certain criteria, we came through winners and I'm proud of my team and the excellent work they do."

He added, "the Investors in People Award demonstrates our continuing improvement. Asbestos removal is a potentially hazardous activity and we are committed to ensuring our staff receive the best training to meet the needs of our clients.

Notes to Editors:

Reddish Vale has been involved in the safe removal of asbestos, nationwide for over 20 years. From the initial survey, through to removal and encapsulation we can advise on all sizes of project large and small. We are members of the Asbestos Removal Contractors Association (ARCA) and hold a full asbestos removal license issued by the Health & Safety Executive. We are also registered with the Environment Agency as a carrier of 'controlled waste.'
